# Brings you to the next level of visual journey

We are full service creative production company that delivers message you need to communicate with inspiring and innovative result.

## WHO WE ARE

Since 2010, we specialize in film or digital based video production for TV commercials, company profiles, infographics, documentaries, online contents, and other promotional needs.

We believe every company has its own unique stories. With creative brains and artistic vision, our aim was simple—simplifying the complex, provide the right ideas and make it real.

CREATIVE VIDEO  
PRODUCTION

# Every story moves people, and our passion is bringing those to life.

In this environment, we believe that engaging audience don't just talk, they feel. And they don't just watch, they deliver emotion.

# OUR SERVICES

## VIDEO PRODUCTION

We create engaging high quality video production that deliver your marketing message in a compelling way that resonates with both internal and external audiences.

## BRANDING

By combining strategic thinking and creative execution, we convey results below the line and above the line that make a memorable impression on your audience.

## PHOTOGRAPHY

Visual image is the strongest medium to deliver message and touch people's heart at once than words. We believe a picture tells a story that you could not tell.

Indeks literasi ekonomi syariah dihasilkan dari **Survei Literasi Ekonomi Syariah Bank Indonesia**

### Metodologi Survei Literasi Bank Indonesia

- Lokasi Penelitian**  
13 Provinsi (DKI Jakarta, Jawa Barat, Jawa Tengah, Jawa Timur, Aceh), Sumatera Utara, Sumatera Barat, Lampung, Kalimantan Selatan, Kalimantan Timur, Gorontalo, Sulawesi Selatan dan Nusa Tenggara Barat
- Jumlah Sampel**  
Responden sebanyak 3312, berusia 17-65 tahun dan beragama Islam
- Teknik Pengambilan Sampel**  
Multistage Random Sampling Provinsi/Kabupaten/Desa/Kelurahan/RT/Dusun/UTK/Anggota Keluarga
- Pengumpulan Data & Analisis Data**  
Dilakukan dengan wawancara tatap muka (one to face interview) dengan bantuan kuisioner terstruktur. Analisis data menggunakan analisis korespondensi cluster, obstat omajala, dan Struktural Equations Model (SEM)
- Waktu Pelaksanaan**  
Selama 6 bulan

## Indeks Literasi Ekonomi Syariah

**16,3%**

**16 / 100**

Angka 16,3% dapat diinterpretasikan bahwa dari 100 (seratus) orang penduduk muslim Indonesia, maka terdapat sekitar **16 (enam belas) orang** yang paham dengan baik (well literate) terhadap ekonomi syariah

**BANK INDONESIA**  
DEPARTEMEN EKONOMI DAN KEUANGAN SYARIAH

**BANK INDONESIA**  
BANK SENTRAL REPUBLIK INDONESIA

## Indeks Literasi Ekonomi Syariah

### Latar Belakang

- Pertanya acuan terhadap berbagai upaya yang telah dilakukan terkait pengembangan literasi ekonomi syariah dan melengkapi indeks literasi syariah sebelumnya seperti indeks literasi keuangan syariah
- Dalam rangka mendukung pengembangan ekonomi syariah, informasi tingkat literasi ekonomi syariah terkait pengetahuan, pemahaman, dan perilaku masyarakat menjadi sangat penting

### Manfaat

- Referensi strategi pengembangan dan implementasi literasi & edukasi ekonomi syariah
- Diharapkan tingkat literasi ekonomi syariah semakin meningkat, sehingga praktik ekonomi syariah semakin berkembang dan mendorong ekonomi lebih berkualitas

## BANK INDONESIA

Bank Indonesia is an independent central bank, was established when a new Central Bank Act, the No. 23/1998 on Bank Indonesia, was enacted on May 11, 1998 and have which has been amended with No. 10/2004 on January 16, 2004. The act confirms its status and position as an independent state institution and freedom from interference by the Government or any other external parties.

### MISSION

1. To ensure and maintain financial stability through effective monetary policy and Bank Indonesia policy mix;
2. To engage in maintaining financial system stability through effective macro-prudential policy in synergy with macro-prudential policy by the Financial Services Authority (FSB);
3. To engage in developing digital economy and finance through strengthening Bank Indonesia payment system policy in synergy with the government and other strategic partner policies;
4. To support macroeconomic stability and sustainable economic growth through achieving synergy among Bank Indonesia policy mix, Government fiscal policies and stimulus expenditure as well as other strategic partner policies;
5. To engage in enhancing financial market, (beginning in prior to strengthen) the effectiveness of Bank Indonesia policy and to support national economic financing;
6. To develop sharia economy and finance from the national level to the regional level;
7. To build a digital-based central bank in terms of the policies and implementation of its functions by strengthening the supervision, human resource, governance and reliable information system as well as proactive international role.

### OBJECTIVE AND TASK OF BANK INDONESIA

**Single Objective**

In its capacity as central bank, Bank Indonesia has one single objective of achieving and maintaining stability of the Rupiah value. The stability of the value of the Rupiah comprises two aspects, one is stability of Rupiah value against goods and services and the other is the stability of the exchange rate of the Rupiah against other currencies.

**The Three Main Roles**

In the pursuit of the objective, Bank Indonesia is supported by three pillars, representing its three sectors of task. These three sectors (see figure below) have to be implemented to ensure that the objective of achieving and maintaining a stable value of Rupiah can be achieved effectively and efficiently, a transparent, human resource, governance and reliable information system as well as proactive international role.

### SHARIA ECONOMIC BLUEPRINT

As a form of Bank Indonesia's commitment in ensuring and contributing to develop the economy and sharia finance in Indonesia which will have a positive impact on strengthening monetary stability, financial system stability, and general public welfare, Bank Indonesia on 12 June 2017 issued an Economic Blueprint and Sharia Finance as a guide which Bank Indonesia as well as with external parties related to the activities and implementation of the blueprint.

## Value and Principle of Sharia Economic and Finance Development

The effectiveness of Islamic economic and Finance system or other economic system to boost or generate value and growth activities which lead to financial and social justice, system of justice economic, and financial stability, and economic value are consist of systematic, fair, sustainable, cooperation in sharia, trust, and balanced growth.

### GUIDING PRINCIPLES

Sharia economic values that mentioned before, which is based on foundation of justice, welfare, and share (religiously) can be further operational and be realized into guiding principles or sharia economic and finance along with its instruments. The six guiding principles are related to sharia-economic and Finance instruments, when each instrument has a function that reaches the objectives of the six guiding principles.

## 01 Profil Usaha Tambak Udang

Usaha perikanan air payau, dalam hal ini adalah tambak udang didirikan pada tahun 2015 di lokasi daerah pesisir selatan pantai Ciputatuh Tasikmalaya. Jenis udang yang dibudidayakan adalah Vannamei atau lebih dikenal dengan udang putih. Udang Vannamei ini dapat beradaptasi dengan mudah dalam iklim tropis dan lebih tahan terhadap penyakit. Masa pemeliharaan yang dibutuhkan adalah 90-100 hari dengan struktur kolam yang bervariasi (tanah, plastic atau beton). Semakin intensif budidaya yang diterapkan maka membutuhkan teknologi yang semakin tinggi dan inovasinya adalah dengan penyediaan sarana dan prasarana yang memadai. Modal yang dibutuhkan untuk usaha budidaya ini tergolong tinggi. Selain dengan keuntungan dan resiko yang dihadapi, semakin intensif metode yang dikembangkan, maka akan semakin besar modal yang dibutuhkan. Alhamdulillah keberadaan kami di pesisir selatan Tasikmalaya bukan hanya dirasakan oleh pondok pesantren, akan tetapi juga oleh masyarakat sekitar yang juga ikut meningkatkan ekonominya baik sebagai petani maupun sebagai tenaga kerja. Disamping itu juga kami memberikan kontribusi finansial yang tidak sedikit bagi Pendapatan Asli Daerah (PAD).

Harga Produk

Pencapaian kami dari tahun ke tahun terus mengalami peningkatan. Dari kapasitas produksi: 22 ton di 2015, 72 ton di 2016, 63 ton di 2017, 67 ton di 2018, 111 ton di 2019, dan 107 ton di triwulan pertama 2020. Kalau saja biaya per kg adalah Rp. 40.000,- dan harga/kg udang adalah Rp. 80.000,- maka sudah bisa dihitung berapa keuntungan dari hasil budidaya kami per tahun.

Adapun hasil yang kami peroleh dari usaha ini, selain menjadi nilai tambah bagi pemerintah dan warga sekitar, hasil lainnya sebagian besar kami alokasikan untuk pembangunan di pesantren kami baik berupa infrastruktur bangunan dan sarana ibadah juga bagi beasiswa santri yang kurang mampu. Disamping itu juga program dakwah menjadi prioritas yang mendapatkan kontribusi dari usaha tambak udang ini.
