CREATIVE PRODUCTION
AGENCY

Since 2010, we've brought ideas to life through digital video production and animation. From TV commercials and company profiles to infographics and event support content like bumpers, launching videos, and award videos we create engaging visuals that elevate brands.

At DOU, we turn ideas into immersive visual experiences that connect and inspire. With innovative minds and artistic vision, we simplify the complex, shape the right ideas, and bring them to life turning creativity into impact.

QRIS Cross Border

Quick Response Code Indonesian Standard (QRIS) is a QR Code for Indonesia payment system developed by Bank Indonesia and Asosiasi Sistem Pembayaran Indonesia (ASPI)

One QRIS for all Payments

- FAST:** Real time transaction
- EASY:** Using domestic payment applications
- CHEAP:** More cost efficient
- SECURE:** Touchless payments without physical media
- RELIABLE:** 24/7 transaction

QRIS Cross Border Payment
 QRIS Cross Borders enables customer to make QR payment at the overseas merchants which have arrangement with Indonesia and vice versa

Tutorial QRIS Cross Border

1. Open payment application
2. Scan QR Code
3. Enter value in local currency
4. Confirm beneficiary and value in rupiah
5. Enter PIN
6. Payment Successful

ASEAN countries have already been one step ahead in building cross border payments interconnection through QR Code payment linkages
